

Monthly Plan Premium if you receive Extra Help from Medicare

Aetna Medicare Select Plan (PPO) H5521-022

If you get Extra Help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get Extra Help from Medicare. The amount of Extra Help you get will determine your total monthly plan premium as a member of our plan.

This table shows you what your monthly plan premium will be if you get Extra Help. Aetna Medicare Select Plan (PPO)'s premium includes coverage for both medical services and prescription drugs.

Your level of Extra Help	Monthly Premium*
100%	\$49.10
75%	\$55.10
50%	\$61.00
25%	\$67.00

*This does not include any Medicare Part B premium you may have to pay.
