Annual Notice of Changes for 2020

You are currently enrolled as a member of AARP® MedicareRx Preferred (PDP).

Next year, there will be some changes to the plan's costs and benefits.
This booklet tells about the changes.

You have from October 15 until December 7 to make changes to your Medicare coverage for next year.

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - It's important to review your coverage now to make sure it will meet your needs next year.
 - Do the changes affect the services you use?
 - Look in Section 1 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
 - Will your drugs be covered?
 - Are your drugs in a different tier, with different cost sharing?
 - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
 - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
 - Review the 2020 Drug List and look in Section 1.3 for information about changes to our drug coverage.
 - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit <https://go.medicare.gov/drugprices>. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.

- Think about your overall health care costs.
 - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
 - How much will you spend on your premium and deductibles?
 - How do your total plan costs compare to other Medicare coverage options?
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area.
 - Use the personalized search feature on the Medicare Plan Finder at <https://www.medicare.gov> website. Click “Find health & drug plans.”
 - Review the list in the back of your Medicare & You handbook.
 - Look in Section 2.2 to learn more about your choices.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

3. CHOOSE: Decide whether you want to change your plan

- If you want to **keep** AARP® MedicareRx Preferred (PDP), you don’t need to do anything. You will stay in AARP® MedicareRx Preferred (PDP).
- To change to a **different plan** that may better meet your needs, you can switch plans between October 15 and December 7.

4. ENROLL: To change plans, join a plan between **October 15** and **December 7, 2019**

- If you **don’t join another plan by December 7, 2019**, you will stay in AARP® MedicareRx Preferred (PDP).
- If you **join another plan by December 7, 2019**, your new coverage will start on January 1, 2020.

Section 1: Changes to Benefits and Costs for Next Year

SECTION 1.1: Changes to the Monthly Premium

Cost	2019 (this year)	2020 (next year)
Monthly Premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$75.30	\$77.30

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs.

SECTION 1.2: Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered **only** if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost-sharing, which may offer you lower cost-sharing than the standard cost-sharing offered by other network pharmacies for some drugs.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at www.myAARPMedicare.com. You may also call Customer Service for updated pharmacy information or to ask us to mail you a Pharmacy Directory. **Please review the 2020 Pharmacy Directory to see which pharmacies are in our network.**

SECTION 1.3: Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” **You can get the complete Drug List** by calling Customer Service (see the back cover) or visiting our website (www.myAARPMedicare.com).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.
 - To learn what you must do to ask for an exception, see Chapter 7 of your **Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))** or call Customer Service.
- Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a drug that is not on the Drug List (Formulary) or when it is restricted in some way in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 3, Section 5.2 of the **Evidence of Coverage**.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you have obtained approval for a drug list (formulary) exception this year, please refer to the approved through date provided on your approval letter to determine when your approval expires. After the date of expiration on your approval letter, you may need to obtain a new approval in order for the plan to continue to cover the drug, if the drug still requires an exception and you and your doctor feel it is needed. To learn what you must do to ask for an exception, see Chapter 7 of your Evidence of Coverage or call Customer Service.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug

changes. (To learn more about the changes we may make to the Drug List, see Chapter 3, Section 6 of the Evidence of Coverage.)

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” you will receive a "LIS Rider" by September 30, 2019. If you don't receive it, please call Customer Service and ask for the "LIS Rider" to be sent to you. Phone numbers for Customer Service are in Section 6.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 4, Section 2 of your **Evidence of Coverage** for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in the **Evidence of Coverage**, which is located on our website at www.myAARPMedicare.com. You may also call Customer Service to ask us to mail you an **Evidence of Coverage**.)

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** For information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in your **Evidence of Coverage**.

Section 2: Deciding Which Plan to Choose

SECTION 2.1: If You Want to Stay in AARP® MedicareRx Preferred (PDP)

To stay in our plan you don't need to do anything. If you do not sign up for a different plan by December 7, you will automatically stay enrolled as a member of our plan for 2020.

SECTION 2.2: If You Want to Change Plans

We hope to keep you as a member next year but if you want to change for 2020 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare prescription drug plan,
- **OR**– You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage,
- **OR**– You can keep your current Medicare health coverage and drop your Medicare prescription drug coverage.

To learn more about Original Medicare and the different types of Medicare plans, read **Medicare & You 2020**, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a **reminder**, UnitedHealthcare Insurance Company or one of its affiliates offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change **to a different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from AARP® MedicareRx Preferred (PDP).
- To **change to a Medicare health plan**, enroll in the new plan. Depending on which type of plan you choose, you may automatically be disenrolled from AARP® MedicareRx Preferred (PDP).
 - You will automatically be disenrolled from AARP® MedicareRx Preferred (PDP) if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
 - If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep AARP® MedicareRx Preferred (PDP) for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from AARP® MedicareRx Preferred (PDP). If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from AARP® MedicareRx Preferred (PDP). To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY users should call 1-877-486-2048).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).
 - – **or** – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

Section 3: Deadline for Changing Plans

If you want to change to a different prescription drug plan or to a Medicare health plan for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2020.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.2 of the **Evidence of Coverage**.

Section 4: Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Texas, the SHIP is called Texas Department of Aging and Disability Services (HICAP).

Texas Department of Aging and Disability Services (HICAP) is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Texas Department of Aging and Disability Services (HICAP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Texas Department of Aging and Disability Services (HICAP) at 1-800-252-9240.

Section 5: Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- “Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
- The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
- Your State Medicaid Office (applications).
- **Help from your state's pharmaceutical assistance program.** Texas has a program called Texas Kidney Health Care Program that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Chapter 2, Section 3 of your **Evidence of Coverage**).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your State. For information on eligibility criteria, covered drugs, or how to enroll in the program, please contact the ADAP in your State. You can find your State's ADAP contact information in Chapter 2 of the **Evidence of Coverage**.
