

Expand your career with

Medicare is a growing, stable, and thriving industry

Knowledge, experience, and a well-managed support team are the keys to your success. With over 30 years in the Medicare insurance business, we provide the training, marketing, and ongoing support for our agents.

We are looking for Licensed Health agents to represent Nationally Recognized Carriers. These individuals must be self-motivated seeking a career that gives them independence and the ability to take control of their financial future. This is an opportunity to build an independent book of business with our support. We can provide the ongoing support you need to be successful as an independent agent.

Benefits of joining Alliance Insurance Solutions

- Flexibility to create your own schedule at your own pace.
- Classroom & Field Training opportunity that prepare you.
- Opportunities with national and regional carriers.
- National footprint in all 50 states
- Off-the-shelf marketing materials, co-op dollars, custom pieces
- Direct Support/Administrative Support

Don't miss out on this unique opportunity! Interview times are limited. We are only looking those who have desire to succeed. Is that you?

Let's work together!
